**NEW BUSINESS**

I. **New Business:**

- 1) Approve minutes from Board of Health meeting held on June 6, 2023– Ms. Dias made a motion to approve the BOH minutes for June 6, 2023, 2<sup>nd</sup> by Ms. Pinnetti 2-0.
- 2) Camp Kiwanee Catering – Dori Jamison and Renae Brown from Camp Kiwanee came before the Board to discuss catering and permitting of caterers for events. They will reiterate to all renters get your paperwork into the BOH within 45 days. No drop off of food from caterers for those events under 75 attendees. Renters will be required to pickup food.
- 3) Public Health Nurse – Do we want to share a nurse with the Town of Whitman? What tasks does the Town of Whitman nurse handle. The nurse is willing to assist the Hanson BOH. She currently handles all MAVEN follow up depending on flow. Perhaps overseeing recreational camp for children permitting.
- 4) Chairman's Report –The Performance Appraisal process done for the Health Agent review will be revamped by the HR company moving forward. Ms. Pinnetti would also like to review the Recreational Camp permitting process and make sure that all camps are properly permitted.
- 5) **Agent Report** – RDP funds can be used for a trailer. The trailer must be kept at the transfer station. Registration and insurance questions need to be looked into. The Health Agent has a person that may be interested in working at the transfer station on a per diem basis.

6) **Project Updates –**

**Kiwanee** – See above

**Green Hanson** – No update

**South Shore Recycling Cooperative** – No update

**Emergency Planning** – No MRC meeting in July and August. The Fire Chief & Deputy Chief attended the most recent MRC meeting. Ms. Pinnetti is in the process of reviewing the Comprehensive Emergency Plan which she received from the Fire Chief.

**Transfer Station** - No volunteers have come forward to assist at the Swap Shop. It will be reposted.

**Septic Plans** – Peter Lyons Collins Engineering

- a. **63 Pratt Place** –3 bedroom – Ms. Dias made a motion to approve the plan as submitted, 2<sup>nd</sup> by Ms. Pinnetti. 2-0 **Pending Conservation Approval**
  - i. To allow a reduction in the separation between the bottom of the SAS and the maximum seasonal high ground water table from 4' to 3'
  - ii. To allow use of sieve analysis in place of perc test due to high ground water.
