## **Discussions**

### **Letter from resident concerning Poison Ivy on conservation land**

Ms. Marilyn Weber who lives on Forest Trail next to Conservation land attended the meeting to speak to the problem of poison ivy in her yard. It has really taken over and she was asking the Commission if and how it could be treated as it is coming over from the abutting parcel. She herself has had several bouts of poison ivy. Mr. Schellenger said that it's a problem and we should check with DEP on treatment options. Mr. Kirlin said he would make a site inspection and take some pictures. The subject will be taken up again at a future meeting.
