Public Hearings

Also present: Magdalena Lofstedt, CDM Smith
Doug Martin CDM Smith
Jerry Davis, Hanson Water Department
Joe Warren, 144 Elm Street

7:00pm Request for Amendment to an existing Notice of Intent for Area 5 Groundwater Well Development off Old Pine Drive, to allow the DEP - required pumping test for the two (2) test wells TW1 and TW2, including installation and instrumentation in the Bordering Vegetated Wetland (BVW) (DEP #SE 175-0694). (New hearing)

Mr. Clemons read the Public Hearing Notice. There were no abutters present.

Mr. Martin discussed process needed which would consist of 4 parts:

1. Installation of 4 observation wells located in the buffer zone. The Water Department will reach out to residents in that area with well water to see if they can obtain access. There will also be 5 piezometers installed manually and 3 staff gauges to intermittent streams. Tripod insertions can be used if needed.
2. The test itself. Also included would be water level monitoring.
3. Stepped drawdown test. Increasing pump rate to see the short term effect.
4. Turning off pumps and recover ratings.

Mr. Clemons asked the timing on this project. Mr. Martin said it is geared sometime in March.

Discussion regarding erosion control and observing the existing conditions, also with Ms. Lofstedt regarding erosion control.

Green cards were presented representing notification of abutters.
