With the exception of the Administrative Assistant position, all costs related to the operation of Camp Kiwanee are projected to be offset by the program revenues. All surpluses of this account at the end of the year will remain within the account.

**ARTICLE 12:** To see if the Town will vote to transfer a sum of money from Free cash to be added to Stabilization or take any other action in relation thereto.

Proposed by the Town Administrator

**Explanation:** This money will be used to increase the Stabilization Fund. A stabilization fund is a mechanism for setting aside money either for unforeseen needs or for capital projects. Such a fund is intended to equalize the effect of capital expenditures over time and to provide a “rainy day” fund. The dollar amount appropriated under this article will increase the Stabilization Fund to \$934,000 which represents 4.85% of the operating budget. The Town’s target has been to maintain close to 5% which is the industry standard minimum amount for Stabilization Funds as recommended by our auditors and will help to maintain a positive bond rating for future borrowing purposes.

**ARTICLE 13:** To see if the Town will vote to appropriate or reserve from **Fiscal Year 2014 Community Preservation Fund estimated** annual revenues in the amounts recommended by the Community Preservation Committee for committee administrative expenses, community preservation projects and other expenses in fiscal year 2014, with each item to be considered a separate appropriation:

Proposed by the  
Community Preservation Committee

**Explanation:** This article ensures that Hanson’s Community Preservation Accounts are compliant with the Community Preservation Act which requires that a certain portion of the CPA funds be set aside for open space projects, community housing projects, historical projects and recreation projects. In addition, it sets aside money for the administrative expenses of the Community Preservation Committee.

May 2013 Annual Town Meeting

**ARTICLE 14:** To see if the Town will vote to appropriate \$2,000 from the Historic Resource Reserve Community Preservation Fund balance to be used by the Hanson Historical Society to purchase the components needed to build a digital book scanner. This book scanner will be used by the Hanson Historical Society to digitize the historical books and documents in its collection and will also be available for other town departments to use or take any other action in relation thereto.

Proposed by the  
Community Preservation Committee

**Explanation:** The majority of the documents and books in the Hanson Historical Society's collection are in a rapid state of deterioration threatening the ability for future generations to enjoy and access them. This book/document scanner, once built, would allow for the easy and reliable conversion of these documents into digital formats. The Town Clerk, Town Assessors, and Library also have historical documents/books that would benefit from digitization. Once converted, rare manuscripts, books, and documents held by the town of Hanson could be easily disseminated and access to these resources increased without subjecting them to constant wear and risk. This technology has been used successfully by museums and libraries. The Hanson Historical Society will pay for the labor required to build this scanner. This Article clarifies the expenditure voted in Article 15 of the October 2012 Special Town Meeting. This Article does not appropriate additional funds.

**ARTICLE 15:** To see if the Town will vote to appropriate \$50,000 from the Undesignated Community Preservation Fund balance to be used for the construction of an outdoor recreation area at the Whitman Hanson Regional High School or take any other action in relation thereto.

Proposed by the  
Community Preservation Committee

**Explanation:** This recreation area will be open to the general public and once completed will include beach volleyball, basketball courts, street hockey, a fitness trail and other park amenities. The money from CPA will fund a portion of this project and the remainder of this project will be completed using goods and services donated in-kind as well as funds that have been privately donated.

May 2013 Annual Town Meeting

**ARTICLE 16:** To see if the Town will vote to transfer \$30,000 from water surplus to purchase & equip a water truck for Superintendent's use or take any other action in relation thereto.

Proposed by the Board of Water Commissioners

**Explanation:** This new truck will replace the 2003 Ford which currently has an odometer reading of approximately 120,000 miles.

**ARTICLE 17:** To see if the Town will vote to transfer \$50,000 from water surplus to purchase and install emergency generators for the water department office at 1073 West Washington Street, and the High Street storage tank or take any other action in relation thereto.

Proposed by the Board of Water Commissioners

**Explanation:** This will provide emergency power to keep the water department office open during storms. The generator for the office will consist of a pad mount generator with automatic transfer switch capability. The generator for the water storage tank will consist of a trailer-mounted unit.

**ARTICLE 18:** To see if the Town will vote to transfer \$10,000 from Water Surplus to be added to the 1992 Town Meeting Emergency Fund Article 15 or take any other action thereto.

Proposed by the Board of Water Commissioners

**Explanation:** This is to replenish the Emergency Account which is used for unforeseen expenditures which are not in the general budget.

**ARTICLE 19:** To see if the Town will vote to transfer \$30,000 from Water Surplus for the purpose of buying new water meters and related equipment or take any other action thereto.

Said sum of money to be expended under the direction of the Board of Selectmen, or to take any action in relation thereto.

Proposed by the Board of Selectmen

**Explanation:** This article is a requirement of the Commonwealth of Massachusetts for the Town of Hanson to accept state funding, including Chapter 90 funding for accepted roadways. This article authorizes use of funds which will be 100% reimbursed by the Commonwealth of Massachusetts. The budget approved each fiscal year by the legislature and governor establishes the total funding available for Chapter 90 local transportation aid for that year. These funds are then apportioned to the 351 Massachusetts towns and cities.

**ARTICLE 21:** To see if the Town will vote to authorize the Board of Selectmen to acquire, by purchase, gift, and/or eminent domain, a permanent easement for public way purposes in a certain parcel of land at or near Winter Street and shown as "Easement" on a plan of land entitled: "Easement Plan of Land 948 Winter Street, Hanson, Massachusetts," dated January 24, 2013, prepared by Land Planning, Inc. (the "Plan"), on file with the Town Clerk, or take any other action relative thereto.

Proposed by the Board of Selectmen

**Explanation:** This article authorizes the Board of Selectmen to acquire an easement over property at 948 Winter Street, which was the subject of litigation concerning the Winter Street Bridge Construction Project in 2010. The easement will allow the Town to perform any necessary maintenance and repair work in the easement area as it is described on the Plan.

**Section 2 - Right to Farm**

**Section 1 Legislative Purpose and Intent**

The purpose and intent of this By-law is to state with emphasis the Right to Farm accorded to all citizens of the Commonwealth under Article 97, of the Constitution, and all state statutes and regulations thereunder including but not limited to Massachusetts General Laws Chapter 40A, Section 3, Paragraph 1; Chapter 90, Section 9, Chapter 111, Section 125A and Chapter 128 Section 1A. We the citizens of Hanson restate and republish these rights pursuant to the Town's authority conferred by Article 89 of the Articles of Amendment of the Massachusetts Constitution, ("Home Rule Amendment").

This General By-law encourages the pursuit of agriculture, promotes agriculture-based economic opportunities, and protects farmlands within the Town of Hanson ("Town") by allowing agricultural uses and related activities to function with minimal conflict with abutters and Town agencies. This By-law shall apply to all jurisdictional areas within the Town.

**Section 2 Definitions**

The word "farm" shall include any parcel or contiguous parcels of land, or water bodies used for the primary purpose of agriculture, or accessory thereto. The words "farming" or "agriculture" or their derivatives shall include, but not be limited to the following:

- a) farming in all its branches and the cultivation and tillage of the soil;
- b) dairying;
- c) production, cultivation, growing, and harvesting of any agricultural, aquacultural, floricultural, viticultural, or horticultural commodities;
- d) growing and harvesting of forest products upon forest land, and any other forestry or lumbering operations;
- e) raising of livestock including horses; and
- f) keeping and raising of poultry, swine, cattle, ratites (such as emus, ostriches and rheas) and camelids (such as llamas and camels), and other domesticated animals for food and other agricultural purposes, including bees and fur-bearing animals.

“Farming” shall encompass activities including, but not limited to, the following:

- a) operation and transportation of slow-moving farm equipment over roads within the Town;
- b) control of pests, including, but not limited to, insects, weeds, predators and disease organisms of plants and animals;
- c) application of manure, fertilizers and pesticides;
- d) conducting agriculture-related educational and farm-based recreational activities, including agri-tourism, provided that the activities are related to marketing the agricultural output or services of the farm;
- e) processing and packaging of the agricultural output of the farm and the operation of a farmer's market or farm stand including signage thereto;
- f) maintenance, repair, or storage of seasonal equipment, or apparatus owned or leased by the farm owner or manager used expressly for the purpose of propagation, processing, management, or sale of the agricultural products; and
- g) on-farm relocation of earth and the clearing of ground for farming operations.

### **Section 3 Right To Farm Declaration**

The Right to Farm is hereby recognized to exist within the Town. The above-described agricultural activities may occur on holidays, weekdays, and weekends by night or day and shall include the attendant incidental noise, odors, dust, and fumes associated with normally accepted agricultural practices. It is hereby determined that whatever impact may be caused to others through the normal practice of agriculture is more than offset by the benefits of farming to the neighborhood, community, and society in general. The benefits and protections of this By-law are intended to apply exclusively to those agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. Moreover, nothing in this Right To Farm By-law shall be deemed as acquiring any interest in land, or as imposing any land use regulation, which is properly the subject of state statute, regulation, or local zoning law.

### **Section 4 Disclosure Notification**

Not later than twenty-one (21) calendar days after the purchase and sale contract is entered into, or prior to the sale or exchange of real property if no purchase and sale agreement exists, for the purchase or exchange of real property, or prior to the acquisition of a leasehold interest or other possessory interest in real property, located in the Town, the landowner shall present the buyer or occupant with a disclosure notification which states the following notice:

*“It is the policy of this community to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food, and other agricultural products, and also for its natural and ecological value. This disclosure notification is to inform buyers or occupants that the property they are about to acquire or occupy lies within a town where farming activities occur. Such farming activities may include, but are not limited to, activities that cause noise, dust and odors. Buyers or occupants are also informed that the location of property within the Town may be impacted by agricultural operations including the ability to access water services for such property under certain circumstances.”*

A copy of the disclosure notification shall be given on a form prepared by the Town and shall be signed by the landowner prior to the sale, purchase, exchange or occupancy of such real property. A copy of the disclosure notification must be filed with the Board of Selectmen or its designee prior to the sale, purchase, exchange or occupancy of such real property. In addition to the above, a copy of this disclosure notification shall be provided by the Town to landowners each fiscal year by mail.

A violation of Section 4 shall be subject to a fine of \$300 and shall be enforced by the Board of Selectmen or its designee. The Town is authorized to enforce Section 4 under the non-criminal disposition provision of M.G.L. c. 40, § 21D.

#### **Section 5 Resolution of Disputes**

Any person who seeks to complain about the operation of a farm may, notwithstanding pursuing any other available remedy, file a grievance with the Town Administrator, Board of Selectmen, Zoning Board, Animal Inspector or the Board of Health (collectively the "Town Departments"), depending upon the nature of the grievance. The filing of the written grievance must be in compliance with the Town grievance procedure; however, filing of such written grievance does not suspend the time within which to pursue any other available remedies that the aggrieved may have.

Except in the event the Board of Health determines there is a case of imminent danger or a public health risk, the Town Departments shall forward a copy of any agricultural related grievance to the Hanson Agricultural Commission within seven (7) calendar days of receipt. The Hanson Agricultural Commission shall review and facilitate a recommended resolution of the grievance, and report its recommendations to the referring Town Department within an agreed upon time frame.

#### **Section 6 Severability Clause**

If any part of this By-law is for any reason held to be unconstitutional or invalid, such decision shall not affect the remainder of this By-law. The Town hereby declares the provisions of this By-law to be severable.

Proposed by the Agricultural Commission

**Explanation:** A proposed Hanson Right-to-Farm bylaw ("RTF Bylaws") is an important tool that can bolster a community's efforts to protect the viability of farming.

The intent of such the RTF Bylaw is to reiterate the importance of - and support for - farming within the Town of Hanson. It does so in four primary ways: 1) it restates agricultural laws already in place in the Commonwealth; 2) it includes a notification provision that works to ensure that people moving into Hanson are aware that agriculture, and the associated sights, sounds, and smells, is an accepted economic and cultural activity; 3) it seeks to prevent conflicts between farm operations and neighbors by putting in place a dispute resolution process; and 4) it will improve Hanson's ability to obtain state funding for energy, smart growth, and conservation projects.

The proposed RTF Bylaw is based on a model approved by the Commonwealth's Attorney General. As of December 31, 2012 there were 124 communities in the Commonwealth that have adopted a similar RTF Bylaw, including Duxbury, Kingston, Middleborough, Plymouth and East Bridgewater.

**ARTICLE 25:** To see if the Town will vote to amend certain provisions of the Acceptance by the Town of the Community Preservation Act, known as Chapter 44B of Massachusetts General Laws, by reducing the surcharge from 1.5% to .5%, and further to submit such reduction of the surcharge, if approved by the Town meeting, for acceptance by the voters of the Town of Hanson at the next qualifying Town or State Election or take any action in relation thereto.

Proposed by Barbara Murphy and 22 voters

**ARTICLE 26:** To bring in their votes for the following offices: A Moderator for one year, a Selectmen for three years, an Assessor for three years, a Town Clerk for three years, a Board of Health member for three years, a Cemetery Commissioner for three years, a member of the Planning Board for five years, a member of the Housing Authority for five years, a Tree Warden for three years, two Trustees of Memorial Field for three years, one Trustee of Memorial Field for one year, two Trustees of the Public Library for three years, two members of the Whitman- Hanson Regional School District Committee PreK-12 for three years, two Water Commissioners for three years, and one Water Commissioner for two years and one question:
