Also, any member of the Board of Selectmen serving in such capacity at the time of adoption of this section shall not be required to resign from any other position held and shall be allowed to complete his/her term of office. This Bylaw shall apply for all Town Compensated positions where the appointment or removal is recommended to the relevant Board, Committee, Commission, Dept. Head by the Town Administrator under Chapter 41 of the Acts of 2006 (aka Hanson Town Administrator Act) and also any and all compensated offices or positions of employment in Hanson Town Government that are directly appointed by the Hanson Board of Selectmen under Massachusetts State Law.

Or take any other action in relation thereto

Proposed by Board of Selectman

Explanation: It is the opinion of the Board of Selectman that there is an incompatibility between selectman and any other government office within the town of Hanson. It does not make sense that a person may simultaneously serve as a town selectman and a compensated town employee who would report either directly or indirectly to the Board of Selectman. The rationale of this opinion is that incompatibility arises when the person holding two positions cannot perform the duties of each. In the situation of a town employee and selectman, it is obvious that the selectman would have power over the employee(s) in the areas of hiring, firing, and determining compensation, and as such these two offices are incompatible.

This is purely a housekeeping change; there are no amendments to the language of the Bylaw. Copies of the re-codified Zoning Bylaw including the revised Table of Contents Section may be downloaded from the Town of Hanson website at and are also available at the Office of the Town Clerk, Hanson Town Hall, 542 Liberty Street, Hanson, MA.
