I **CALL TO ORDER**

Ms. FitzGerald-Kemmett called the meeting to order and explained that an emergency meeting was being held as the event in question needed immediate review by the Select Board meeting.

Mr. Ellis updated the Board regarding Plymouth County Hospital property. He explained that he was checking the well to determine if it is worth salvaging for park irrigation use. If not it will be filled in and secured to prevent anyone falling in. Mr. Shave will assist with securing the property, which should be fencing and a metal plate for the well. Mr. Ellis estimates the cost to be no more than \$5000, and plans to implement by week's end.

MOTION by Mr. Weeks, seconded by Mr. Hickey to approve spending up to \$5000 for securing the well and investigate possible use for future irrigation.
