Hanson Economic Development Committee Public Outreach Meeting: South
Hanson Village Rapid Recovery Plan

2021 MAY 27 AM 8:49
HANSON CONSERVATION COMMISSION
HANSBURY, MA

YOUR OPINION MATTERS!!

You are cordially invited to Hanson's first virtual public outreach meeting hosted by the Hanson Economic Development Committee.

Hanson is participating in the Massachusetts Department of Housing & Community Development's Local Rapid Recovery Plan (LRRP) Program, a fast-moving planning project that will help Hanson develop an **actionable, project-based recovery plan for the Commuter Rail Station Area.**

Come learn about this effort and the recently-collected baseline data that will be used to answer questions, such as *'What are the impacts of COVID-19 on businesses?'* and *'How conducive is the physical environment to meeting the needs of both businesses and customers?'*

Let us know what you would like to see on Main Street in South Hanson.

With the data, your input on priorities, and support from subject matter experts, the Town will soon be defining a set of projects aligned with community goals and aimed at supporting recovery of both the physical and business environments in the near future.

JUNE 1, 2021, 7 PM

PLEASE REGISTER TO JOIN AT

WHCA.TV/REMOTE

UNABLE TO ATTEND:

Email comments and questions to the Economic Development Committee at EDC@Hanson-MA.gov.
