Note: The listings of matters are those reasonably anticipated by the Chair, which may be discussed at the meeting. Not all items listed may in fact be discussed, and other items not listed may also be brought up for discussion to the extent permitted by law.

The Massachusetts Department of Environmental Protection has scheduled an on-site meeting for Wednesday October 20, 2021 at 11 AM.

Please note the following requirements must be adhered to during the course of the site visit:

1. Maintain social distancing of at least 6 feet among participants;
2. Identify and comply with the parties' specific COVID-19 protocols, if any;
3. Confirm there are no COVID-19 impacted individuals at the time of the above-scheduled on-site.

In addition, Personal Protective Equipment such as masks, gloves, and sanitization, is required by Department personnel and individual parties are expected to provide the same for themselves.

Furthermore, please respond in writing the day prior to the inspection (October 19th) by replying via email to cally.harper@state.ma.us the following questions:

1. Are you currently sick? Do you have a fever, runny nose, aches or pains?
2. Have you traveled outside the Commonwealth of Massachusetts in the last 14 days?
3. Have you been in contact with anyone who has been diagnosed with COVID-19 in the past 14 days?
