Blind & Stand Regulations

Massachusetts Department of Fisheries and Wildlife

Hunters must mark stands and blinds with their permit number. Hunters must remove all stands and blinds within 30 days after the end of the permitted season. One nonhunting companion may accompany each permitted hunter. We prohibit nonhunting companions from hunting, but they can assist in other means.

Written permission of the landowner (on either public or private lands) is required to construct or use any tree stand which is fastened to a tree by nails, bolts, wire, or other fasteners that intrude through the bark into the wood of the tree, or that is fastened or erected in any manner and is emplaced for a period exceeding 30 days. This includes hang-on tree stands.
