

## Citizen Survey: Reuse of Plymouth County Hospital Property

October 2017

The Board of Selectmen invites your input, in order to help them evaluate recommendations and ideas from the Final Plymouth County Hospital Reuse Committee. Please complete this survey by November 15 and return to Town Hall or the desk as which you received it. Thank you!

Please indicate your level of support for the next recommended priority: **Planning a public park on a portion of the PCH property.**

***My level of support:***

	High	Medium	Low	Do not support	Comments
<b>Municipal Park Planning</b>					

Please also indicate your level of support for these additional potential ideas for reuse of other portions of the property. (NOTE: These steps would not prevent creation of a park; there is sufficient area for all to coexist.)

	High	Medium	Low	Do not support	Comments
Superintendent Residence Appraisal / Sale (one-time revenue, earmark for PCH site use)					
Potential Residential Pierce Ave. Lot / Sale (one-time revenue, earmark for PCH site use)					
Evaluate former Extension Service Building					
Water Tower Easement Expansion					
Evaluate Potential for Solar Array (ongoing revenue, seek best way to use)					
Recreational Trail Access to Open Space Area
