Please note: The real estate tax bills are assessed and mailed to the “owner of record” as of January 1st of each year. Therefore, if you purchased your home after this date, and did not receive a tax bill – please contact the Tax Collector’s office for a copy of the bill.

**As property owner, you are liable for the tax obligations whether a tax bill was received or not.**

If your Real Estate taxes are escrowed through your mortgage lender, please review your tax bill to confirm your mortgage lender is remitting the correct payment amounts on your behalf.
